VALLEY BUGLE OFFICERS

Left to Right: James Smith, Business Manager; Wayne Evans, Associate Editor; John Thiel, Editor; Nancy Blesy, Art Editor.

Absent: Judith Rossman, Business Manager.

And they're off! From the word "go" the Valley Bugle staff was hard at work to produce not only the biggest yearbook GCS has ever seen, but also the finest. Many ideas and suggestions went into the production of this book, some new, some old. We not only tried to have the book ready for earlier distribution, but we also produced a book that we feel is unique. It has been changed from cover to cover.

This year a new cover was especially designed by the art staff, incorporating the senior crest with the school colors. Also more space was devoted to sports and activities, a very important part of the well-rounded education we received at GCS.

The theme, "Kiddie Kars to Hot Rods," was selected because of the transition it shows; a change or development from a thing of simplicity to one of complex parts and mechanisms. In this same manner we progressed through school. From kindergarten, where we learned to play together, to high school, where our knowledge has been greatly increased and where we are now able to work together in the community and the nation.

Now that our work draws to a close we wish to extend special gratitude to Mr. Daniel O'Day and Mrs. Marianna Wonnacott, without whose able assistance and advice, the production of this, the Valley Bugle of 1958, could not have been possible.

Dedication

As keys are necessary to keep a car running, so class advisors are necessary to keep a class running smoothly. Without keys you would not be able to start a car. Without our class advisors we would not have been successful in our many class projects. Because our advisors have helped us with unfailing effort, we, the Class of 1958, dedicate our yearbook to Mrs. Estelle Simon, and Mr. Robert Patrick. In this way we sincerely wish to show a small portion of our gratitude to them for their expert guidance and their willingness to help us throughout our four high school years.

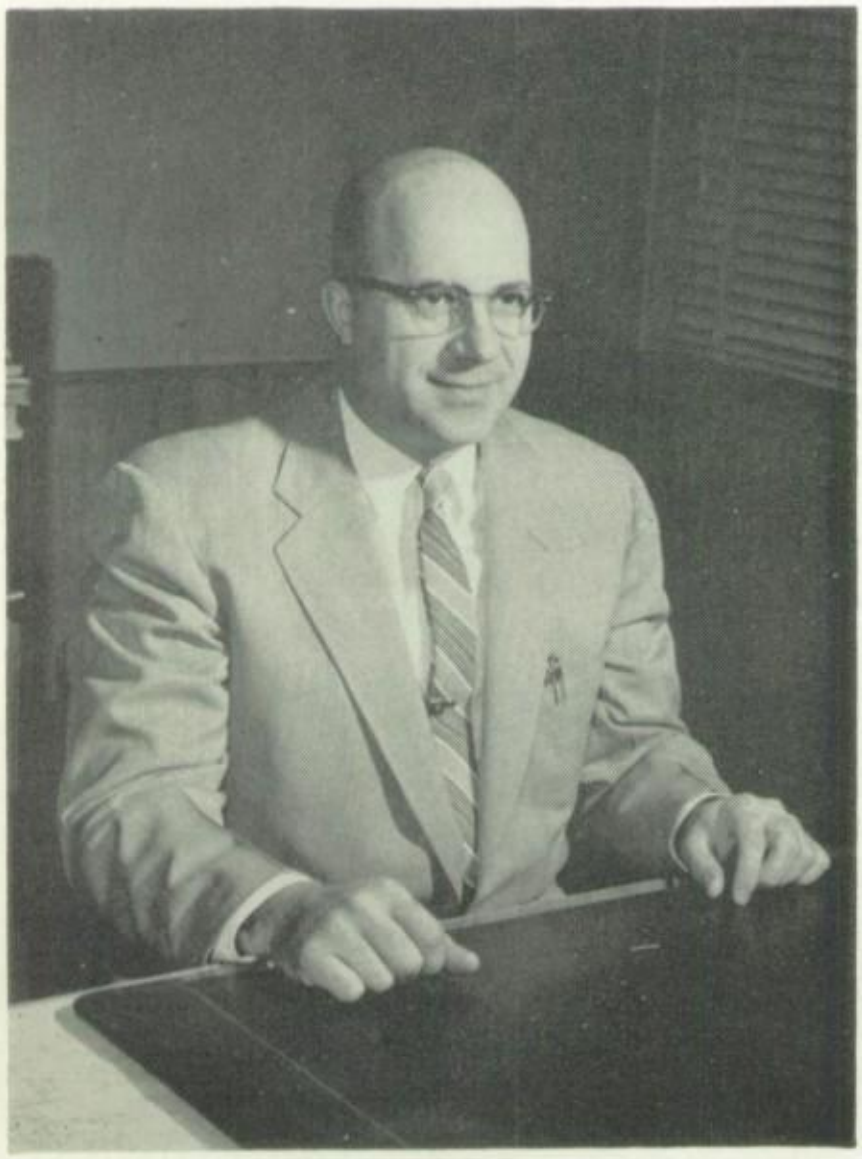
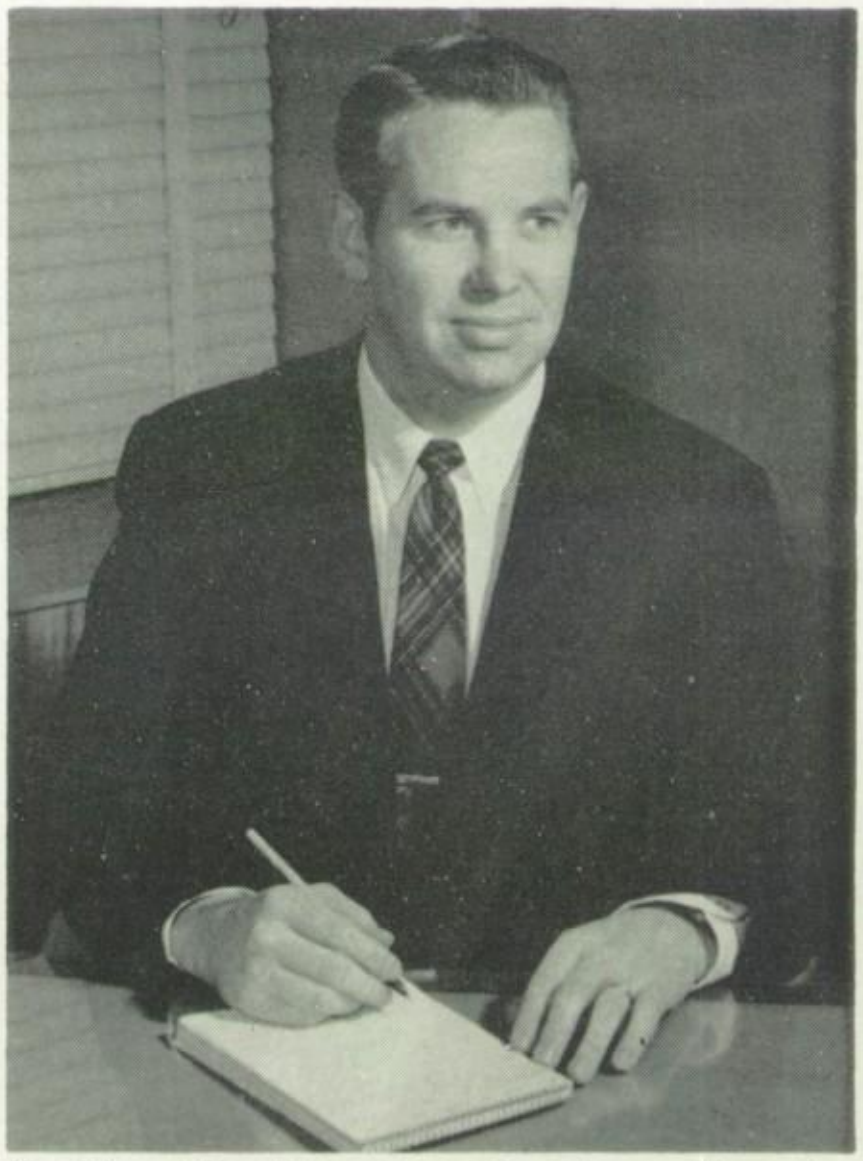
Administration

First Row, left to right: Clerk Frank Eaton, Mr. Parke Allen, President La Verne J. Spring, Mr. Charles C. Twichell, Dr. Allen W. Cole.

Second Row, left to right: High School Principal Richard Eden, Elementary Supervisor William Jackson, Mr. Ralph Smith, Mr. Robert Ratzel, Vice President Victor A. Cohen, Supervising Principal Lawrence T. Scura.



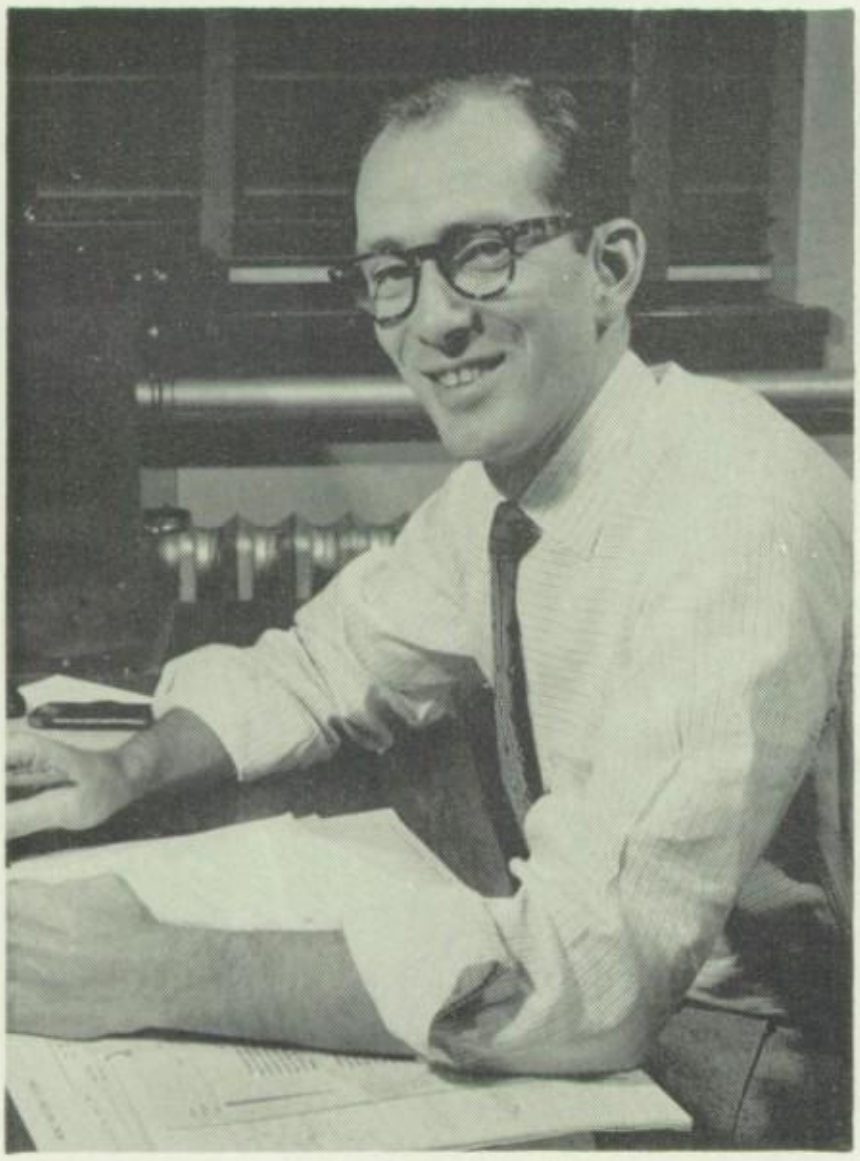
Mr. Scura—Congratulations are in order for Mr. Scura's promotion to Supervising Principal.



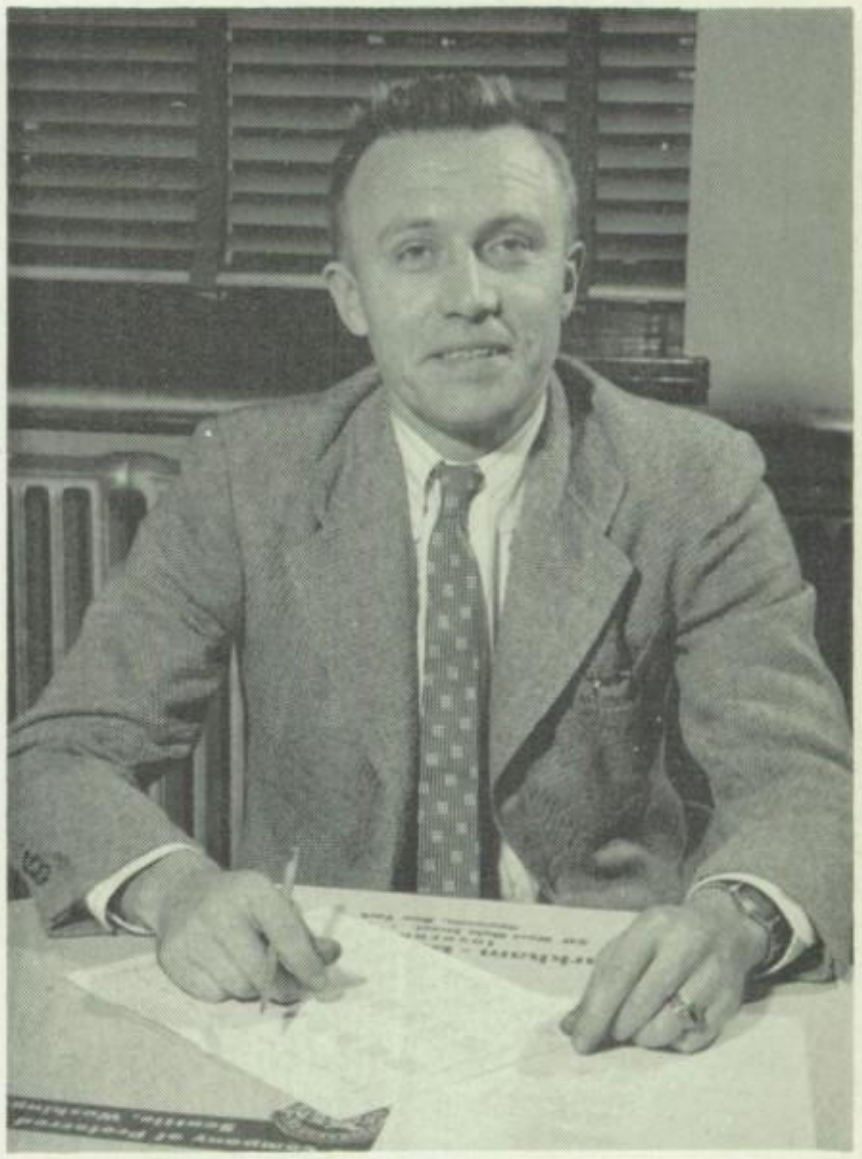
Mr. Eden—We wish to thank Mr. Eden for his services and efforts during the three years he has been at Gowanda. We also wish him good luck in his new position.

Mr. Johnson, the guidance counselor with the cheerful manner, has helped many students plan for their futures.

Mr. Brown, is a newcomer to Gowanda. He works with the students as a speech therapist.



Mr. Gurney, the psychologist, not only works in Gowanda but he also travels to Cattaraugus and Randolph.



Mr. Miller, as transportation supervisor, keeps the buses running on schedule.

Business and Secretarial Staffs

Mr. Eaton, Mrs. Kuhlman, and Miss Nowak are the members of the business staff. Although they are not seen very much by the students, they are some of the busiest people in school.

Mrs. Stuart, the head secretary, keeps all the records straight and also keeps the main office running very smoothly.

Miss Bradney, who is the assistant secretary, is kept busy at the switch board and serves as the information center for the students.

THE CLASS OF '58 PRESENTED "COUNTRY GARDENS"

The Junior Prom, presented by the Class of 1958, had as its theme, "Country Gardens" and was given on May 31, 1957. On the big day, the decorators moved into the G.C.S. cafeteria and put up the hundreds of paper roses made by the junior girls. By 4:00 P.M. the cafeteria was transformed into a real "Country Garden."

That evening, around 9:00 o'clock, the beautifully-dressed couples arrived. At midnight, the procession of the prom chairman, the Class officers, and the candidates for the Junior Prom Queen marched down the chair-lined aisle. Joan McConnell was crowned Queen for the Class of 1958 by President James Thordahl and presented with a bouquet of roses. After the President danced with the Queen, another hour of dancing ensued. At one o'clock the Junior Class members and dates proceeded to the Masonic Temple where they were treated to breakfast provided by the class parents.

"We Could Have Danced All Night" and we did, at this unforgetable Junior Prom.

HOLIDAY WHIRL AT FROSTY'S CASINO

The Senior Ball was presented by the Class of 1958 on December 27, 1958 in the G.C.S. cafeteria. The day before the dance Carol Parsons and her committee began to transform the cafeteria into a make-believe night club. When the couples arrived at 9:00 o'clock, they found tables and chairs centered around a dance floor, and Tubby Wallace's Band was playing their favorite melodies.

At 11:30 P.M. the dancers were entertained by Jimmy Gugino who did his impression of Elvis Presley and by John Cygan and Eddie Grudzien who played two duets on their accordions.

At midnight President Rusty Carpenter drew the tickets which made John Astry and Dona Phillips king and queen of the ball.

JUNIOR AND SENIOR CARNIVALS

The carnivals presented by the Class of 1958 in their junior and senior years proved to be gala, fun-filled affairs for all concerned. They featured many and varied activities, plus a dance afterwards, and raised much money for the class trip to Washington.

"JUNIOR MISS"

WAS 1958 SENIOR PLAY

The Class of 1958 presented "Junior Miss," under the direction of Mrs. Margaret Demery, as the annual Senior Play, March 21 and 22.

The play, a three act comedy, concerns a middle class family, the Graves. Harry and Grace Graves have two daughters, Lois, a senior in high school who detests children, and Judy, a fourteen year old who involves the family in a crisis with Harry's boss, J. B. Curtis, his daughter Ellen, and Grace's brother, Willis. All turns out well.

M. Casey, P. Minner, J. Vogtli, S. Tarbox, J. Graves, J. Colburn, K. Martindale, J. Thiel.

Play rehearsal can be tiring, but mostly it's fun and friendly comradeship.

With the help of Mrs. Sipple and Mr. Kionke, our advisors, we have sponsored many projects this year.

Fudge was sold in the hall each Friday afternoon. Many students enjoyed the fudge, while the treasury enjoyed a profit.

Other projects which boosted the class treasury included the sale of school pencils, scarfs and stationery.

The theme of "Stairway to the Stars" was selected for the annual Junior Prom on May 31. Everyone who attended had a memorable time.

The Class of '60 began the year by choosing a new advisor, Miss Patricia Kuharsky, who replaced Mrs. Beverly Holmskog. Mr. Bishop continued as the other advisor.

After many postponements, the class sponsored the Warren Boy Choir on October 16, 1957. All who attended enjoyed the concert.

Other projects of the class included the sale of sponge covers for hangers and a record hop over radio station WEBR on April 26.

Under the direction of our advisors, Miss Webb and Mr. Golden, we set out to plan our future projects.

Our first project was to elect our officers and to adopt a constitution.

During the football season we sold Panther programs to earn our first dollars. We also sponsored a bake sale in the early spring and a movie to increase our treasury.

We are looking forward to our four years of high school as the Class of '61.

The Student Council started off the year by appointing committees to assist the officers in putting their prepared platforms into effect. The council continued to hold the eighth period dances on Friday as a means of activity for the bus students as well as any others who wished to stay. The council okayed a standard school crest, and approved a five year contract with one company for purchasing the Junior class rings. An information table was also set up in the main lobby to assist visitors to our school.

In September of this past school year Mrs. Godden organized a new singing group using members of the Senior Chorus. This group was called the Mixed Vocal Ensemble and was in popular demand. It made its first appearance on October 28 at the Monday Evening Literary Club, where it presented a program called The Music of Three Faiths. This program was also given for St. Mary's Auxiliary on November 5. The group next presented a special Christmas program for the Kiwanis Club on December 12.

On November 22 and 23 Dorothy Bishop, Bruce Campbell, Richard Carpenter, Mary Alice Casey, Edward Christopher, John Dayton, Douglas Dayton, Mary Irene Godden, Avis Hubbard, Karen Martindale, Paul Minner, Edward Sweda, Stuart Tarbox, Bard Schaack, and Linda Stout represented Gowanda at the All-State Sectional Festival at Depew, where they sang in the All-State Chorus.

At the Christmas Concert on December 19, the Junior Chorus, under the direction of Mrs. Joyce Heacock sang old English carols. The Senior Chorus, under the direction of Mrs. Julia C. Godden, presented selections from Handel's *Messiah* and a group of folk carols from other lands. Douglas Dayton was the featured soloist.

On March 27 and 28 our school was the host to fourteen schools for the eleventh annual All County Festival. The 130 students in the All County Chorus were under the direction of Silas L. Boyd. The following participated from Gowanda: Bruce Campbell, Richard Carpenter, Mary Alice Casey, Edward Christopher, Douglas Dayton, John Dayton, Charles Graves, Avis Hubbard, Marie Lambert, Karen Martindale, Romayne Maybee, Sandra Peters, Martha Reichert, Jeffrey Rupp, Bard Schaack, Linda Stout, Edward Sweda, Stuart Tarbox and Christine Vogtli.

Other events that the Senior Chorus and vocal groups participated in were the Spring Concert on May 16 and the Fredonia Music Festival on May 23 and 24.

The Chorus ended its successful year by singing at the Baccalaureate service.

The 60-piece band, directed by Mr. Nazaro and his assistant, Mr. Donald Bollinger, enjoyed a highly successful and active year.

Gowanda was represented at all of the music festivals. Four students went to the All-State Festival in Depew on November 22 and 23. They were: Robert Staffin, Ete Szuts, Dean Bettker, and Joseph Vogtli.

On December 5, 6, and 7 Joseph Vogtli earned the privilege of playing in the All-Hi band at the annual New York State Music Conference held in Rochester, New York.

On January 14, the band gave a concert with Robert Staffin and Robert Gage featured as soloists.

On March 28 and 29 our new auditorium was the site of the All-County Festival in which nine of our students performed. These students were: Bonnie Dabolt, William Johnston, Edna Thordahl, Orchestra; Roger Markham, Dean Bettker, Jack Martindale, Joseph Vogtli, Robert Staffin, and Mary Irene Godden, band.

In May the Annual Spring Festival was held at Fredonia. The band competed in grade 6 music. Twenty soloists also represented Gowanda.

The band ended the year with a Spring Concert, and June Commencement exercises. Although nine seniors are leaving, Mr. Nazaro looks forward to another excellent group next year.

The Junior Band and Junior Chorus under the able direction of Mr. Bollinger and Mrs. Heacock had many successful practice sessions on Tuesdays and Thursdays. From these organizations come the replacements for the people who are graduating from our senior band and chorus. We sincerely hope that these younger students will win many honors for the GCS music department.

For the first time in several years, the Panther Gazette is being issued as a separate news sheet. It varies from a regular four- to a special eight-sheet edition and is published every two weeks. This year paid advertising has been introduced.

The Panther Gazette belongs to the Empire State Scholastic Press Association. Delegates T. Bury, L. Frenkel, E. Krall, K. Lynch and B. Vogtli attended the ESSPA conference in Syracuse last fall under the auspices of the Syracuse University School of Journalism. Mrs. Owen accompanied them as advisor. Representatives of the staff also toured a Dunkirk newspaper plant during the year.

This year the staff, including both editorial and business personnel, meets four times a week. The paper is put together entirely by the staff.

In addition to the regular news, several new standard features have been adopted, such as "The Spy," "Kitty's Korner," "What's Your Favorite?" and a special Grade News Column.

Exchanges are made with several student newspapers of other schools in the area.

The Panther Gazette tries to be representative of the best in GCS and appeals to the students for their support.

In the fall the Gowanda Delta Chi Hi-Y Club inducted fifteen new members at an evening candlelight ceremony. Since the Hi-Y Club is a service organization, it helped with the Cancer Drive last spring. Each day club members raised and lowered the flag in front of the Village Library. Twice Hi-Y members helped with the Red Cross Blood Bank.

Members have attended the officers training camp, the Fredonia Legislative Assembly and the annual assembly in Albany, at which time Jim Smith was chosen Boy Governor. Bard Schaack was elected Speaker at the Fredonia Assembly.

The Club is affiliated with the Chautauqua-Cattaraugus Hi-Y Council and the Chautauqua Y.M.C.A.

The Tri-Hi-Y held its annual induction ceremonies in October at which time all Sophomore, Junior, and Senior girls wishing to join were inducted.

The club purchased a gavel and had it engraved in the memory of past president Marjorie Parker.

The group performed several service projects during the year. These included: assisting with the Good-will and Red Cross drives, giving baskets to needy families and making favors for the hospital at Thanksgiving and Christmas, and sponsoring an Easter Egg hunt.

A dance was held after a basketball game to raise money. The group also held a dance for the elementary and junior high students.

Because of Mrs. Schultz's unfortunate accident a new Latin teacher came to Gowanda. Mr. Ruff not only took over Mrs. Schultz's teaching jobs, but he also filled in for her as Latin Club advisor. The club's activities included such things as a Christmas party and the annual banquet which has grown to be a regular feature of the club's life. The members come dressed in ancient costume and eat in the old Roman manner.

In its second year as an organized activity, the German Club, under the direction of Mr. Howard Schultz, held varied social gatherings. Such activities as German Bingo and singing German songs were undertaken. The group also held a German Banquet at which several Germanic delicacies were served to the members.

Chess Club

This year GCS welcomes a new Club to the ranks. Under the supervision of Mr. Davis a Chess Club was formed. Laureen McCarthy was selected as President.

The emphasis of the Chess Club is upon playing rather than learning, although, specialized instruction is given to those students who request it. A round-robin tournament is to be conducted to determine the school champion. In the tournament each person plays with every other member in the club. One point is given for a win, one-half point for a draw, and no points for a loss. The player with the most points at the close of the tournament is declared "school champion."

It is hoped that next fall a five-man chess team will be organized at GCS for inter-school competition.

Seated: M. Reynolds, J. Lesefske, L. Stout, R. McCarthy, S. Dingman
Standing: C. Arnold, Mrs. Trombley, S. Lillie, J. Edwards, D. Bettker, B. Brumfield, J. Dutton, K. Smith

The following people were elected as officers of the Future Teachers Club this past fall to serve for a one year term:

President - - - -	Melodie Reynolds
Vice President - - -	Carol Arnold
Secretary - - - - -	Linda Stout
Treasurer - - - -	Jackie Lesefske

The club, which is advised by Mrs. Trombley, is composed of juniors and seniors who intend to go into the field of teaching.

This past year the members had the opportunity of hearing lectures on the following topics:

Qualities A Good Teacher Has
What Is Expected Of A Teacher
Fredonia State Teachers College
The 1957 College Preview

The Future Teachers also took field trips to some of the state teachers colleges in order to help the Juniors select the college that they may attend in the future.

The members saw movies from some state teachers colleges and also received literature about some of them.

The Future Teachers Club's main goal is to acquaint high school students interested in teaching, with the many aspects of this career.

Our chapter is a member of the county and state associations of F.F.A. At our weekly meetings, using parliamentary procedure, we practice the F.F.A. ritual, hear committee reports and plan chapter activities. One evening we visited the Cattaraugus chapter, and entertained them in return.

Last summer, Ackley, Eddy, Ross and Smith, our dairy judging team, placed 2nd in the Catt.-Chaut. contest; 11th at Alfred and 14th among 80 teams at Delhi Tech. Several of the members showed calves at the Catt. and Erie County Fairs. Eddy and Ross showed a second year at Syracuse, and judged livestock with our team. Our dairy, forage crop and shop judges combined to finish in third place at the fall county contest at Ellicottville. This winter, courtesy of Mr. Buckley, Ackley, Evans, Hickox and Smith had a day at the Cornell Farm and Home Week.

Pres. Ray Smith ably M.C.'d the 15th annual Father and Son Banquet, where the Marine Trust's annual $100 awards were won by Eddy, Smith, Ackley and Hickox, Ross, Degenfelder, VanEtten and Gabel. Honorary degree pins were presented to Mr. Holmes, Mr. Morehouse and Mr. Wratny of Marine. Mr. J. O. Sanders of the State Department spoke on the trend to post-graduate technical education for young farmers.

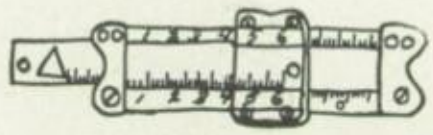
This year a new club was formed at GCS. This, the Mathematics Club, was started on ideas obtained from other schools in the area. Mrs. Shannon was selected as advisor. The officers included: President John E. Thiel, Vice President Jeff Rupp, Secretary Sue Bury, Treasurer Jim Wells. The Club took up the study of mathematical games and puzzles. In January the club members received their slide rules, and the group then learned how to use them. After finishing with the slide rules, the club studied a little bit of elementary calculus.



College Club

Under the sponsorship of the guidance department this club was organized for the purpose of preparing prospective college students. This year during their bi-monthly meetings the students were informed of which colleges would best prepare them for their desired professions. The group also studied the problems confronting college freshmen. As a culminating activity several of the members took the College Entrance Examination at Jamestown in May.

"That perfect 300?"

Panther Sports Move On!

Many special events adorned another successful year of sports at G.C.S. This was the first year that our athletic department received full advantage of our new school's facilities. The Panther teams often carried off the banner of victory in competition with other schools. Our intramural program, which offered activities to a vast number of students, grew in both scope and popularity.

Our new gym saw many firsts this year. It was the scene of many exciting home basketball games and wrestling matches. Under its roof the student body participated in a much-improved gym program. It offered full facilities for both boys and girls for the first time in Gowanda's history. With many pieces of new equipment the students received the fundamentals of gymnastic training. Our fine gym was also selected as the site of the Section VI A-B-C- wrestling tournament.

Our swimming pool was the center of much enjoyment. Here many students learned to swim, while others advanced their knowledge of swimming techniques and methods. The community as well as G.C.S. students reaped the rewards of this fine pool.

A rifle club was formed and a beautiful new rifle range completed. The wrestling team soon discovered the many advantages of its own practice and locker rooms. All these events came to pass in the inaugural year of our new school.

Inter-school competition found Panther teams compiling a reputable record. Our fine bowling team again captured the Section VI title this year. The wrestling squad enjoyed an excellent season and finished second in the Section VI Class A division. Our basketball team tied for second in the Chautauqua County Class A Lake Shore League. The baseball team was second in the Cattaraugus County Class A League. Meanwhile the track team placed fourth in the Section VI meet.

The intramural program was directed by Mr. Howard Hillis and Miss Geraldine Plumer. Due to the unfinished landscaping around the new school certain intramural sports were temporarily dropped. However, students strongly supported the intramural basketball, wrestling, and bowling programs. When facilities permit Gowanda students may look to a much more varied intramural schedule.

Thus concludes another chapter in the history of Gowanda sports, one marked with many memorable events and honors. We, the seniors, take pride that we have contributed to GCS's heritage of clean sportsmanship and victory. We sincerely hope that you of the succeeding classes will carry on this tradition with distinction and forever keep it shining brightly.

Action is about to commence in our spacious new gym

ALL CONFERENCE

Gowanda secured two first team positions on the All Southwestern Conference squad. Roger Halftown was elected to the quarter-back post for the second consecutive year. A junior, Martin Seneca, was selected as one of the first team tackles. Dave Draegert, a halfback, and Dave Evans, an end, were chosen for second team positions. Robert Gold, another halfback, received honorable mention. This was a most fitting closing for the 1957 Gowanda Panther football season.

FUTURE OF THE TEAM

The team will lose eight lettermen through the process of graduation. Those who will be lost through this route are. Edward Christopher, Clifford DeOca, Robert Gold, Roger Halftown, Barry Parker, Dave Peters, Jerry Saffer, and Benny Toter. Next year's team will be partially built around ten returning lettermen. One of the key players will be Martin Seneca. All returning players will be rich in experience. These plus a crop of new material should produce a team which will win many honors on the gridiron.

Varsity Football Roundup

HAMBURG:

As fate would have it we lost 13 to 6 in our only afternoon game. First game jitters were reflected by our team's fumbles on a wet field. By the close of the encounter several Hamburg players were injured. The lone tally by Gold pointed to the squad's future promise.

FALCONER:

In the second game of the season the Panthers were pitted against the rugged Falcons from Falconer. A pep rally was staged by G.C.S. students preceding this first home game. It was a hard fought but clean game with Gowanda pulling it out of the fire in the final 32 seconds by a score of 18 to 13. TDS Gold 2, Halftown 1.

SPRINGVILLE:

The Panthers finished on the very short end of a 41 to 14 shellacking by the Springville Griffins. Gowanda's forward wall wasn't quite at its peak this night. The home town crowd didn't have much to cheer about during the entire game. TDS Draegert 1, Halftown 1, PAT Halftown 2.

DUNKIRK:

Gowanda lost a heart-breaking battle to league champion Dunkirk by a score of 13 to 12. The difference being in the extra point and the second half, for at the end of the first half Gowanda led 12 to 0. This game pulled the Panthers out of a tie for the league lead. TDS Gold 1, Halftown 1.

SALAMANCA:

The Panthers turned their third home game into a great success. The Gowanda fans were jubilant as GCS romped over the Salamanca Warriors, by the score of 33 to 7. Salamanca drew first blood and led seven to zero. Gowanda quickly rallied and moved in front 13 to 7. From this point on our squad was never challenged. TDS Gold 2, Draegert 2, Krakowiak 1, PAT Halftown 3.

SOUTHWESTERN:

The last home game for the Panthers found them unable to adapt themselves to the rainsoaked field. At the end of the first half the Southwestern Trojans led 19 to 0. This was the extent of the scoring for the entire game. Gowanda struggled to the Southwestern one-yard line only to be sent back by a penalty.

FREDONIA:

The weary team traveled to Fredonia for their last conference game. A small handful of Gowanda fans were inspired as the Panthers jumped to a six to nothing lead. However, at the end of the night the Fredonia Hilltoppers left the field with a 19 to 6 decision. The Panthers scored two touchdowns which were nullified by penalties. TD Armstrong.

LAKE SHORE:

The Panthers made up a previously canceled game with Lake Shore, which this year was one of the strongest teams in Erie County. The game was fought on even terms. Yet the Lake Shore squad took advantage of their scoring opportunities, and in so doing secured a 12 to 0 victory. With this game the football season of GCS closed.

The junior varsity team ended another season filled with many fine experiences. This year's team was centered mainly around freshmen.

Although the JV's lost all five of their games, they led in several games the majority of the time. The squad always played its best brand of ball in the first half. Often the team would put together a fine combination of plays only to have them nullified by a penalty. This penalty jinx also accounted for the calling back of several touchdowns.

The JV's started the season by being soundly beaten by the newly-organized varsity team of Delevan-Machias.

The record of this team does not reflect all the values which the team gained. Records only reflect the meeting of two schools on a given day. A true picture of this team may be gained by examining the values the individual players received.

One of these was team work. The boys learned to work together as a unit and not as individuals. The most important attribute they gained was that of experience.

This year's JV's will comprise much of next year's varsity, since many of the '58 team will graduate. No fewer than 9 JV's were promoted to the varsity squad before the season ended.

In varsity activities, the Panthers split two games, equaling the J.V. record. Coach Hollenbeck's boys won their first game against a triple-A school by defeating Olean, Tuesday night, February 25. They followed this win with a 42-40 loss against Dunkirk, in which Archie Jimerson, Panther center, scored 23 points. This was a close one all the way, and with as few as two seconds left, G.C.S. fans had high hopes of winning.

Although not the winningest season in Gowanda basketball history, this certainly was a most exciting one. Three games were lost in overtime with one of these being in double overtime.

The "never say die" motto certainly applied to our Varsity team. After losing its first six games, the squad finished the season winning eight of the twelve remaining games for an 8 and 10 record.

The team's slow start was reflected in its Lakeshore League standings. Nonetheless, Gowanda finished tied for third in the overall league, and tied for second in the Class A division. In both games with league champion Jamestown, Gowanda led most of the way, but our upset hopes were smashed both times by Jamestown's fourth period rallies.

Perhaps the greatest victory was the 44-38 upset of previously unbeaten Springville on the home court. Next to it ranked the 53-49 conquest of Olean, an AAA school. This was the first time Gowanda had beaten Olean in seven years.

Eight players shared most of the action. These were: seniors Jerry Saffer, Eddie Christopher, John Graves, Sid Thompson, Roger Halftown, John Dayton, and sophomore Archie Jimerson. For the second straight year, Roger Halftown was named to the Lakeshore All-Star team. An honorable mention was given to Archie Jimerson.

Heartbreaking losses were to Springville, Silver Creek, Southwestern, and Dunkirk. The first two were lost in overtime, and the Southwestern game was decided in the second period of overtime. The Dunkirk game was lost by two foul shots in the closing seconds.

Considering all factors, this year's quintet once more upheld the high tradition of Gowanda basketball.

The season's record follows:

Our new JV coach, Mr. Markell, developed a well-balanced club as the season progressed. In their first encounters the baby Panthers lost several close games. However, like the varsity, the JV's finished strong to record a successful season.

After losing the first 6 games, the JV basketeers improved rapidly as they won 8 of their remaining 12 encounters, including 5 of the last 6.

Most of the action was seen by the following five players: Danny Robbins, Bruce Waterman, Bob Armstrong, Doug Dayton, and Art Palumbo.

The team's high scorer was Bruce Waterman with 193 points. He was closely followed by Danny Robbins who netted 191 points.

Two of the most exciting games were the Falconer and Dunkirk encounters. The game at Falconer see-sawed back and forth and finally went into over-time before the Panthers won. The home game with Dunkirk was seemingly lost when baskets by Waterman and Palumbo in the closing seconds snatched the victory for Gowanda.

Anyone who followed our JV's this year could not help but notice how the team improved as the season progressed. These boys gained invaluable experience this year and should help form a strong varsity in the future.

The increasingly popular sport of wrestling brought several added honors to Gowanda Central this year.

The Panther team compiled a record of 14 wins against one loss. The lone defeat was at the hands of Kenmore, a AAA school. This was the fourth straight year that Gowanda captured the league crown. Our four-year league record is 45 wins against one loss.

Gowanda had the honor of being the host school for the Section VI A, B, C Wrestling Tournament held March 7 and 8. Eleven teams entered the meet. An undefeated Iroquois team captured the class A title. However, GCS amassed 97 points and finished in second place. We placed seven wrestlers in the sectional finals. Those who secured sectional titles were: Paul Meyers, 98 lbs.; Danny Maybee, 106 lbs.; Denny Menshel, 115 lbs.; Martin Seneca, heavyweight.

The team will lose six wrestlers through graduation. Those who will be leaving are: Benny Toter, Dennis Pine, David Peters, Mike Cannon, Barry Parker, and Charlemagne Poodry. With many returning lettermen next year Gowanda may look forward to its fifth season of highly successful wrestling.

Bowling

Sectional Representatives: B. Toter, S. Tarbox, K. Steklasa, J. LaValle, R. Farley, J. Saalfield

This year, as in the past, the highest possible bowling honors were brought to G.C.S.

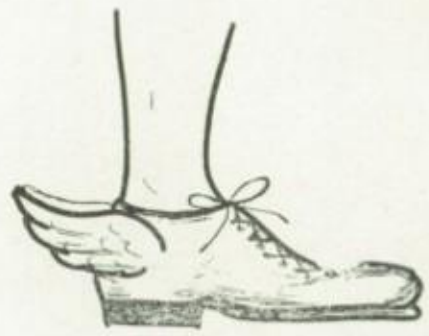
Every Thursday afternoon several boys could be found practicing under the direction of their coach, Mr. Hillis. Records were kept of every game bowled by each participant. At the end of the season the top six bowlers were selected to represent Gowanda at the Section VI tournament.

Previously the team had a meet at Salamanca where they defeated three other Cattaraugus County schools. They then traveled to the Thruway Lanes in Buffalo for the Sectional match. There were twenty schools participating, ranging in size from B to AAA. When the final match was finished, Gowanda had compiled more points than any other tournament team, and thus won the championship. In capturing the title, the squad broke two Sectional records. They are the first team to ever win the title for three consecutive years. The second record was their 2541 total pin score. The high man for Gowanda was Benny Toter with a three game total of 583.

After the team's sectional record, they closed the season by going to Salamanca for another meet. This match brought to a close the high school bowling of four seniors. Those who will be leaving are: Stuart Tarbox, Ken Steklasa, Ben Toter, and John LaValle. With sound support G.C.S. bowlers could possibly bring home another sectional trophy next year.

Cross Country

A campaign to revive the slowly-dying sport of cross-country in Gowanda began early this fall. A squad of eight students, of whom three were veterans, formed our team.



A major step in this drive was taken when the Panthers downed Portville, the 1957 Section VI Cross-Country champions, 42 to 50 in a tri-school meet. The next stepping stone was our 27 to 28 victory over a large and excellent Springville team.

The flu epidemic, which wiped out over half of the schedule, became yet another obstacle in our campaign to revive cross-country.

The eight members of the team were: Carl Brooks, Donald Brooks, Michael Cannon, Charles Kennedy, Charlemagne Poodry, Elliot Tallchief, Raymond Tallchief, and Sydney Thompson. This team was under the direction of Mr. Vincent Karnath.

Although the team didn't add any trophies to our case, it did very well considering its size and its other difficulties. One of its greatest accomplishments was that the team stimulated interest in cross-country at Gowanda.

We are positive that there will be a better turn-out of runners next season. Furthermore GCS will make rapid strides to regain the Section VI Class A championship which it once controlled.

Tennis

With the opening of the spring sports a tennis team under the direction of Mr. Schumacker was added to the roster of GCS sports. The members practiced everyday on the courts at the old school. Five of the best players were Stuart Tarbox, Mike Blawat, James Colburn, Peter Krakowiak, and John Rozek.

After several weeks of practice the team had two matches with a powerful Springville team. Gowanda lost both meets by very close and heartbreaking scores. Drills continued daily and then the team traveled to Jamestown for the Section VI tournament. Here they were very impressive as they placed second in the Class A division.

Although Gowanda's team was not entirely successful, it did well considering that tennis is a long established sport in many of our neighboring Western New York schools.

The construction of tennis courts at the new school is still a debatable and unsettled issue. Tennis offers to you a definite challenge, for it is an individual's game. This sport is presently on a major scale in thousands of American high schools. Through the co-operation and support of both students and faculty tennis can and will be successful at Gowanda.

The 1957 Panther cindermen ended the season with high hopes for an outstanding team in 1958. Only three lettermen left the squad via the graduation route.

The team was at its peak during the Falconer and Silver Creek encounters. The Panthers met stiff competition throughout the year, but they performed superbly. The most exciting meet was with Southwestern when the final event decided the winner of the match.

The team was paced by Dave Evans and Dick Nephew. Dave turned in a new record for the half mile in the Southwestern Conference. Dick was beaten only once all season in the pole vault, reaching his best height of 11 ft. 3 in. at Springville. Two other outstanding performers were Jack Spring and Cliff DeOca.

Eight returning lettermen will provide a nucleus for next year's team. These plus some promising newcomers should bring many track honors to Gowanda in 1958.

Last year's record follows:

Gowanda	48	Salamanca	55	Gowanda 52½	Southwestern 51½

The Gowanda Panthers baseball team of 1957 played brilliant ball in several games. Its outstanding points were its fine base running and its excellent fielding.

The time compiled a record of seven wins against four defeats. Gowanda finished second in the Cattaraugus County Class A league.

The team was composed of the following lettermen: Phil Saglimben, Robert Gold, Dave Robbins, Jerry Saffer and Roger Halftown. Newcomers in the lineup were George Smith, Richard Nephew, Jim Parker and John LaValle.

A completely new pitching staff, consisting of Ronnie Foster, Clement Stevens, Ken Steklasa and John Dayton, was developed. Foster paced the staff with five victories while Stevens and Saglimben each registered a single win.

The 1958 team will center around many experienced players. It should be a well-balanced team which can give the school another successful season of baseball.

High School

GENERAL

The opening of our new full-sized gym greatly stimulated interest in our intramural program. In the gym competition was held in basketball and wrestling. The boys' and girls' bowling teams practiced at Don's Ten Pin Alleys. Due to the unfinished landscaping around the new school certain sports like football were dropped.

BOYS' BASKETBALL

High school boys totaling eighty in number turned out to support basketball. Ten teams were formed with each team playing the other once. At the close of the season the "Crickets" captured the championship. The second place team position went to the "Duds." At the end of the schedule an All-Star team was selected. Those who were chosen for the first team were Fran Felder, John LaValle, Benny Toter, Peter Martin, Peter Krakowiak, and Ken Steklasa.

GIRLS' BASKETBALL

About seventy girls engaged in basketball. There were twelve teams consisting of six members each. The "Spartans" took first place. They were followed by "The Blue Dogs." The girls, however, did not pick an All-Star team when the season ended.

BOYS' BOWLING

Every Tuesday afternoon during the winter months the boys bowled at Don's. The number of participants varied, but the average number was around 28. On these Tuesdays there was a special low rate to attract high school bowlers.

Records were kept of every game bowled. At the end of the season the six boys with the highest averages were selected to form a team for the Section VI tournament.

Ready, Set, Go!

Intramurals

GIRLS' BOWLING

Monday afternoons found Don's Bowling Alleys invaded by a eager group of bowlers. Usually about 35 girls participated in this program. Some of the top keglers were: Carol Parsons, Judy Sciera, Joyce Smith and Beverly Hausser. Often the top girl bowlers registered better scores than some of the boys. From this intramural program may come a girls' bowling team for G.C.S.

Carol Parsons	115
Judie Sciera	110
Joyce Smith	110
Beverly Hausser	107

BOYS' WRESTLING

In late March a wrestling tournament was held. There were about sixty boys who engaged in this program. There were preliminary, semifinals, and final rounds in this competition. The various matches were held eighth periods. Boys were allowed to go to the gym fifth periods and practice. Some of the high school winners were: Norm Staffin, Mike Cannon, John Ross, Clif DeOca, and Dave Evans. There were also several winners in the seventh and eighth grade groups. This activity is always very popular in the intramural program, and it will probably become a more important part of it as the years progress.

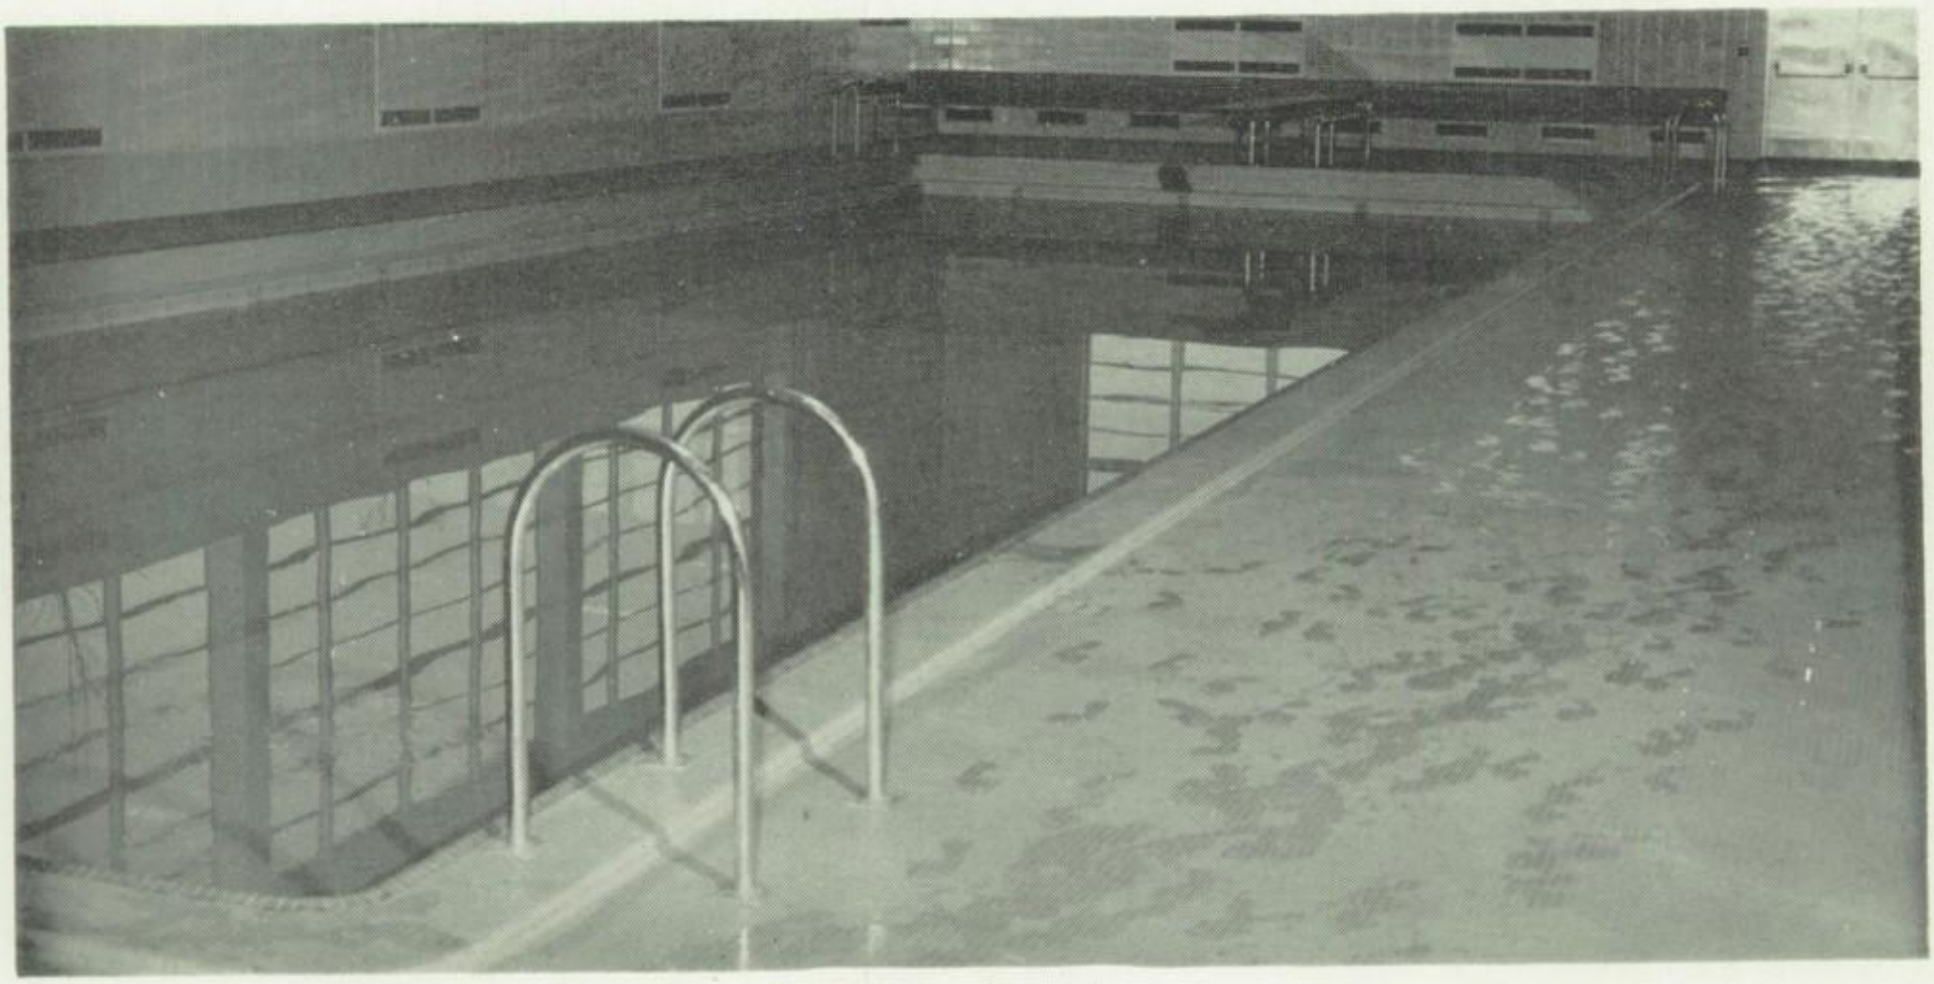
APPRECIATION AND CLOSING

We feel that a great deal of credit should be given to Mr. Hillis and Miss Plumer for their fine services. Not only do they conduct a fine gym program, but they also supervise a large number of high school intramurals. The intramural program of G.C.S. offers recreation for a great percentage of our students.

When the grass and grounds around the new school are in better condition, intramural softball and football will be resumed. A great upswing in participation should follow, once our intramural program adjusts from the switching of schools.

Intramurals are not for the glory seekers, but rather they are a means by which high school students are kept physically fit. Also they give a student the feel of competition and the knowledge of team work.

Let us close this intramural record by once again expressing our appreciation to our gym teachers. It is only through their time, service, and knowledge that our fine intramural program can successfully exist.



Shall we take a dip?

The End

As we, the Class of '58, take our last walk through the halls of G. C. S., we wish the best of luck to those who will follow us. We sincerely hope that you may reap as rich a harvest of knowledge and enjoyment as we did during the past four years.
